MEMORANDUM FOR: Admiral Daniel J. Murphy, USN (Ret.)
Deputy Under Secretary for Policy
The Honorable Gerald P. Dinneen
Assistant Secretary of Defense (C3I)

FROM:

[REDACTED]
Deputy to the Director of Central Intelligence
for Resource Management

SUBJECT: House Appropriations Committee Hearings
on the FY 79 NFIP Budget

The Director of Central Intelligence has been requested to appear before the House Appropriations Committee, Defense Subcommittee on 11 April. The session is scheduled for both morning and afternoon. The DCI has been requested to include as witnesses the Program Managers for the CCP, GDIP, [REDACTED]. The witness list will, therefore, be as shown on the attachment. The DCI felt that it would be appropriate for you to attend as observers in view of the hearings on IRA to follow the next day.

The format requested by the Committee is a 20-minute presentation by the DCI and a 5-minute highlight of the programs by each Program Manager. Additionally, the Committee has requested that Dr. Mark present a 10-minute briefing on OSARS covering cost options in then-year dollars, requirements to be satisfied by the system, and display of simulated images from the system. The remaining time is allotted for Committee questions. Such a constrained schedule obviously requires close coordination. I will, therefore, forward to you as soon as possible a copy of what we propose to recommend to the DCI for his presentation. In turn, I would appreciate receiving a copy of what each of you propose to cover in your allotted five minutes.
